DIVISION OF CARDIOLOGY

FOE Ladies Aux 01188 presented the University of Pittsburgh Division of Cardiology with a check for \$6,000.00. This Charity is very near and dear to PSP and Aux 01188 President Beth Howell, because 12 years ago they saved her life.

# \$15,833

Because of the support and hardwork of our Past State Madam President, State Officers, Membership Team, and fellow members across the great state of PA. PSP Jen Faser and friends were able to present the Pittsburgh Alzheimer's Disease Research Center with a check for \$15,833. She couldn't of done with out this great organization and the support from all of the wonderful members and auxiliaries across this wonderful Keystone State.

For those that don't know, Jen chose this organization for many reasons but one of them was in memory of our Gram. She passed away from the disease in July 2014. In honor of her and to shed some light on just how wonderful she was. I have included her hand written words that we live by and it's my hope that we can pass them to you. So you can continue to do wonderful things every day.

Let's continue to be People Helping People and help Patty have a wonderful year! Congratulations Jen and Team you had a fantastic year!
